NYC HEAVYWEIGHT PULLMANS (2-PACK)

This pair of magnificent Pullmans make a great addition to your New York Central 4-8-2 Mohawk Steam Engine & Tender. Add realism to your model railroad with these very long, highly detailed, and beautifully decorated coaches. A high-railers dream!

These combo & diner heavyweights feature injection molded plastic bodies, die-cast trucks, interior illumination and magnetic couplers. *Length: 18 3/4" each Minimum Radius: 0-31*

(6-29007) \$199.95

BASCULE BRIDGE

Considered by many enthusiasts to be one of Lionel's finest operating accessories ever, the classic Bascule Bridge is back, designed with a new color scheme.

Use your transformer or CAB-1 remote to make the Bascule Bridge lift and descend. And, when the Bascule Bridge is lifted, the approaching tracks are depowered.

The Bascule Bridge features stamped metal construction, can motor driven smooth operation, and working warning light.

Dimensions: 22 3/4" x 10 1/8" x 9 1/8"

(6-22972) \$299.95
