Introducing THE CENTURY CLUB SERIES

EXCLUSIVITY GUARANTEED:

Only Century Club members
will have the privilege of
owning these collector pieces
with unique Lionel deco schemes
and Century Series accents.

Die-cast and detailed with moving wheels and authentic decoration, each Lionel Big, Rugged Trains piece brings the majesty and adventure of railroading to you in super-small scale. Each locomotive is modeled from its real-life counterpart to 1:120 scale and with attention to accurate detail. As a special feature we have decorated these pieces to recreate our initial Century Club offering.

OUTSTANDING QUALITY AND VALUE:

Only Lionel can provide you with exceptional workmanship. Every die-cast piece is polished to perfection while each paint scheme is skillfully applied to produce these magnificent locomotives.

FINELY CRAFTED COMPONENTS:

Each piece consists of die-cast bodies, clear plastic windows, decorated number boards, and plastic couplers, trucks, wheels, horns and grabrails. Additional enhancements include moving wheels and trucks as well as authentic, hand applied details like jeweled headlights and metal railings.

TRUE TREASURES:

These locomotives are a must to add to your Century Club collection. Small enough to fit in your pocket, you can take them anywhere! They also make a powerful statement on your office desk or den shelf where you'll enjoy admiring them for hours!
