Lionel Train Set Offered Exclusively on QVC

04/20/2001

CHESTERFIELD, MI—Coming in May, Lionel will be featured on the QVC Train Collectors Junction Show. Offered exclusively on QVC, the Santa Fe Shell® Oil Company Tank Car Set will be available May 10th at 7:00 p.m. Eastern Time.

The Santa Fe is a Ready-To-Run Set with a heavyweight, die-cast metal Hudson Jr. steam locomotive and coal tender. The locomotive has an operating headlight, authentic whistle sound and puffing smoke, with traction tires for heavy hauling.

In addition to the engine and tender, the set contains three silver and red Shell tank cars with metal catwalks, handrails, wheels and axles. The caboose is red with an illuminated interior.

Offered as a limited edition set, each one includes a Certificate of Authenticity signed by Richard Maddox, President and CEO of Lionel
