146	Amtrak F40PH engine the main passenger engine throughout America from 1976 to 1990 with over two hundred units. While K-line and MTH did offer this unit, the K-line was a short run and the MTH version has the quirky, bug filled DCS control system. With growing interest in passenger trains and ridership growth on them, Lionel should offer a Legacy version.	5/30/2014 5:06 PM
147	Affordable steam locomotives! Lionel has never made a Frisco steamer with correct details such as coonskin-shaped number board on the front. Why? Because my grandfather was a Frisco steam engineer and several great uncles and cousins were Frisco railroaders, one losing his life as a brakeman on the road.	5/30/2014 5:04 PM
