## Richard Petty LionChief Plus 2.0 Berkshire 2432143

A seven-time NASCAR Cup Series™ champion with a record-holding 200 wins, “The King” has competed at the sport’s highest level for decades as both a driver and a team owner. Now Lionel celebrates Petty’s unparalleled legacy with a Legacy Control Berkshire locomotive and tender. Painted in the famous Petty Blue and red like so many of his race cars, this LC+2 Berkshire is also deco’d with “The King’s” legendary car number – the No. 43. The Petty Enterprises logo is also featured on the tender.

We were honored to have “the King” Richard Petty join us during the 2023 LCCA Convention, and it was truly a night the LCCA and Lionel team will never forget!
