[SHORT VERSION] Two Model Train Hobby Attractions

Two major attractions of the Lionel Collectors Club of America (LCCA) 20106 Convention will be open to the public. A large model train layout sponsored by Lionel LLC will be in action July 27-30 in the Kansas City Airport Hilton Hotel, with no admission charge. A Train Show will be open to the public on Saturday, July 30, from 9 a.m. to 3 p.m. There is no admission to visit the layouts or attend the show. A donation jar will be placed at the entry, and all proceeds will be gifted to a local children's hospital in the Kansas City area.

[LONG VERSION] Model Train Layouts in Action and a Train Show

What is a model train convention without a working model train layout? And the Lionel Collectors Club of America (LCCA) 2016 Convention will be no exception. Operating model train exhibits will be located in the Kansas City Airport Hilton and open to the public Wednesday morning, July 27 through Saturday afternoon, July 30, without charge.

Train hobbyists and train-loving families will also be welcome at the LCCA Train Show on Saturday, July 30, from 9 a.m. to 3 p.m., at the Kansas City Airport Hilton Hotel. The Trading Hall will contain about 100 tables filled with trains, parts, and hobby accessories for sale, including hard-to-find items. Many hobbyists bring their "Want List" to the Trading Hall with the hope of finding an item they've been searching for. There is no admission to visit the layouts or attend the Train Show. A donation jar will be placed at the entry, and all proceeds will be gifted to a children's hospital in the Kansas City area.
