2016 Kansas City Convention Car Set

The Kansas City LCCA Convention is stacking up to be the best ever. And the “unconventional” club products are stacking up as well!

The convention offering combines three Fallen Flag railroads that once traversed Kansas City – Missouri Pacific, M-K-T (Katy) and the Chicago & North Western. AND you can add your own personalization to the C&NW Kansas City 2016 container. Spell out the two-line 40 character message you want on your container, and we will print it on both sides! Use your name, family name, kid's name, business name, or the name of your own railroad. It's up to you!

Quantities are limited so don't wait. Purchase your car sets for the discounted price of \$97 plus shipping. Order your Convention Container Car sets now (limit two per member.) You can mail in your car set order using the order form on the back cover or fax it to the LCCA business office at 815-223-0791.

Orders will be taken until September 15th or when sold out.
