

ONLY FROM LCCA!

Unique Lionel VisionLine SP Northern Plus Year's Free Membership

This Lionel VISIONLINE SP "Northern" type #4426 GS-3 Daylight locomotive with its iconic colorful livery and removable décor is only available from the LCCA! It has all the bells and whistles you have come to expect from the Lionel VisionLine including accurate and fine applied details, LEGACY® control system, Bluetooth® control, smoke from stack, whistle steam, blow-down steam, RailSounds®, wireless tether connection with tender and much, much more. The long list of features can be seen in the Lionel Signature Edition Volume One 2020 catalog or on the Lionel website lionel.com.

Only this exclusive #4426 Daylight includes a set of historically accurate magnetized décor that can be easily applied or removed. This "Continued Cooperation" décor with U.S. flags and bunting was created by the Southern Pacific railroad for a one-time use on the #4426 at the May 1939 opening of the Los Angeles Union Station.

THE OFFER Order this very special Lionel VisionLine SP #4426 Daylight 4-8-4 locomotive before February 28, 2020 and receive a free one-year extension of your LCCA club membership. Non-members can also order one and receive a free one-year LCCA membership. Payment of \$1,799, including shipping, will be due with the order. Trains will ship in the fall of 2020. To order, call the LCCA Business Office at (815) 223-0115 during regular business hours.
